1ST CAREGIVER TRAINING PROGRAM

In June 2025, CPF facilitated the first of its kind 2 day intensive hands-on training program designed to advance the education and manual skills of caregivers working with individuals living with paralysis. Financially backed with a grant from the Christopher & Dana Reeve Foundation, the training was a huge success prompting upcoming trainings for 2026.

Hiwan Golf Tournament

CPF held their first annual golf tournament in late September in Evergreen, Colorado, and successfully raised upwards of 30k helping create 3 direct support grants advancing education, access within the home and therapeutic recreation opportunities for those living with a spinal cord injury.

Colorado Gives Day

The Colorado Paralysis Foundation took part in its first annual Colorado Gives Day campaign December 9th . We were successful in raising funds directly supporting our education and social programs, one step closer to giving back to the community and encouraging independence, empowerment and a better way of life for an individual living with paralysis.
